

**AFF 75H - THK Autofeeder HDPE tank with floater**

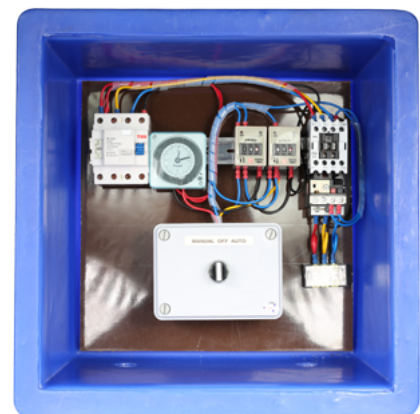

**AF 75H - THK Autofeeder HDPE tank (CPF standard)**

**AF 150H - THK Autofeeder HDPE tank (CPF standard)**

### Benefits of auto feeder:

- Improves feed conversion ratios (FCRs)
- Improves growth rate up
- Reduces the amount of feed fed
- Reduces feed costs
- Reduces labor costs
- Increases the harvest size of shrimp
- Prevents leaching of nutrients
- Prevents degradation of your water quality
- Prevents feed wastes from accumulating on the pond bottom

**THK HDPE Control Switch box**

Model	Capacity of feed	No. of HDPE Floater	Control Panel	Power	Phase	Hertz	20/40ft container
AFF 75H	75kg	2	1	1hp	3ph	50Hz	24/48
AF 75H	75kg	N/A	1	1hp	3ph	50Hz	24/48
AF 150H	150kg	N/A	1	1hp	3ph	50Hz	24/48
